**REPORT OF THE DIRECTORS**  
**for the year ended 31 January 2023**

The Directors present their report and the audited financial statements of the Group and the Company for the year ended 31st January 2023.

The Company has not prepared a strategic report as it has taken advantage of the exemption afforded by Section 414B of the Companies Act 2006.

**INTERESTS OF DIRECTORS AND SECRETARY**

The interest of the directors and secretary in the share capital of the group, at the beginning and end of the financial year were as follow:

	<b>No of Ordinary shares at £0.01 each</b>
Peter Walsh	2,806,770
Maurice O'Brien	2,550,000

**PRINCIPAL ACTIVITY**

The Group's gold interests in Zimbabwe are held by Tinker Mining (Private) Limited, a locally registered and 100% owned subsidiary company. Building shareholder value is best achieved through defining a resource at economic grades and being in production. Actions taken by the board are focused on meeting these objectives.

**REVIEW OF BUSINESS**

The board had set the following goals for the year to 31st January 2023:

Your board has held discussions with parties on a possible joint venture to develop Montezuma. Our key objectives are to start small scale mining and to scope drill at 15 sites recommended by our consultants. Capital investment of US\$600,000 is required and securing a jv partner is the preferred option for several reasons.

In October 2022 Itinerant Resources appointed First Equity Limited, a London broking and nominated advisory firm, as an Introducer and Corporate Advisor. First Equity will introduce Itinerant Resources to potential resource and mining partners. Our investment briefing note gives our estimated resource potential for Montezuma and development plans to achieve revenue generation.

Several potential jv partners responded seeking more information. Each sent their geologist to conduct field investigations on Montezuma. Their separate findings indicate significant resource potential and the capacity for an industrial mining operation. While on site, each party found significant illegal mining and custom milling within the Montezuma licence area. Your board was aware of some illegal mining activity from past satellite studies and surveys and reports from our Logistics Manager. Information obtained from the Mining Commissioner's records gives details on the status of some but not all known illegal occupants. The Provincial Mining Director, Matabeleland South has confirmed in writing to Tinker Mining (Pvt) Ltd that "it is not possible to have another registered title within the granted mining lease". Your board is actively pursuing matters with the Ministry of Mines and Mining Development.

There are other consequences of illegal occupation. Scope drilling or setting up a small scale mining operation cannot take place. Additionally, each potential jv partner will not progress discussions while Montezuma has illegal mining and milling. Potential tributors flatly refuse to move on to Montezuma while illegal occupants remain.

Your Company is fully aware of the risks to our mining lease under the Use It or Lose It policy. Production, whether by ourselves or under a tribute agreement, cannot be funded or commence until all illegal mining and custom milling ceases on Montezuma. Your board is actively dealing with these matters.

Furthermore, plans to raise US\$300,000 for small scale production and US\$300,000 for scope drilling are stalled until illegal occupants are removed. Montezuma is at a standstill. Our Logistics Manager continues to file monthly returns to the Mining Commissioners, Gwanda as required under the Mines and Minerals Act.

As mentioned in previous years, the board wishes to improve communications with shareholders. You can help with this wish by registering your email address with [www.itinerantresources.com](http://www.itinerantresources.com), which will result in increased efficiency and savings for the company. Shareholders can download and read the financial statements, which are filed every year, with Companies House, Cardiff.

**ITINERANT RESOURCES**  
**PUBLIC LIMITED COMPANY**

**REPORT OF THE DIRECTORS**  
**for the year ended 31 January 2023**

**DIVIDENDS**

No dividends will be distributed for the year ended 31 January 2023.

**RESULTS**

The Group loss for the year amounted to £ 39,161 (2022: £35,849). Shareholders' funds increased by £53,480 (2022 decreased by £8,653) during the year.

**FUTURE DEVELOPMENTS**

The company's main focus during the coming year will be:

- To comply with the Use It or Lose policy.
- To partner with an industry player to carry out scope drilling on targets identified from past exploration and the findings from GeoEye - 1 studies and topography survey carried out in 2020.
- Examine various banded ironstone formation structures within our mining lease area for possible mining.
- To secure sufficient funding to carry out our objectives

**EVENTS SINCE THE END OF THE YEAR**

Information relating to events since the end of the year is given in the notes to the financial statements.

**DIRECTORS**

The directors shown below have held office during the whole of the period from 1 February 2022 to the date of this report.

P Walsh  
M C O'Brien

**POLITICAL DONATIONS AND EXPENDITURE**

The Company or Group has not made a charitable or political donation during the year.

**PRINCIPAL RISKS AND UNCERTAINTIES**

The Group is exposed to resource, country, licensing, political, regulatory and financing risks.

While the Group's licence is in a recognized gold mining region, it has not produced gold and has no proven reserves. From past studies and reports, indications are that the property has potential to host a large bulk tonnage, medium grade deposit. Further work will indicate its economic viability.

The Use It or Lose It policy under the Mines and Minerals Act is a significant risk exposure. Active consideration is being given on starting small scale mining operation in partnership or under own management. Approaches made for a tribute agreement are being evaluated as well as partnering options that deliver a better outcome for the property and shareholders.

The Group and Company are not revenue producing. There is total reliance on shareholders to finance ongoing regulatory obligations and project related work. Without their continued financial support, the board is unable to manage and execute its objectives to deliver on Montezuma's potential and plan an exit route for shareholders.

The foregoing risks are regularly monitored by your board.

**ITINERANT RESOURCES**  
**PUBLIC LIMITED COMPANY**

**REPORT OF THE DIRECTORS**  
**for the year ended 31 January 2023**

**KEY PERFORMANCE INDICATORS**

Your company is an exploration and development group without proven reserves or production. The Group's main key performance indicators include:

- Ability to raise finance;
- Enhancement of Montezuma's prospectivity; and
- Feasibility to commence small scale gold production

Mining lease costs and other regulatory costs are discharged as they fall due subject to sufficient funding from shareholders.

**CORPORATE GOVERNANCE**

The board is committed to high standards of corporate governance. As the group grows the board will review their compliance policies and practices and will adopt such governance practices insofar as they are appropriate given the group's size and stage of development.

**SUPPLIER PAYMENT POLICY**

It is the group's normal practice to agree terms of transactions, including payment terms, with suppliers and provided suppliers perform in accordance with the agreed terms, it is the company's policy that payment is made accordingly.

**GOING CONCERN**

The Directors are of the opinion that it is appropriate to adopt the going concern basis in preparing the financial statements. Having made appropriate enquiries, the Directors are of the opinion that the Company and the Group with shareholder support have adequate resources to continue operations in the foreseeable future. The Directors note that Itinerant Resources Plc has raised finance for exploration work, regulatory costs and working capital as required.

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the group's auditors are aware of that information.

**ITINERANT RESOURCES**  
**PUBLIC LIMITED COMPANY**

**REPORT OF THE DIRECTORS**  
**for the year ended 31 January 2023**

**AUDITORS**

The auditors, HPCA Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

**ON BEHALF OF THE BOARD:**

*Peter Walsh*

.....  
P Walsh - Director

Date: *4<sup>th</sup> August 2023*

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF**  
**ITINERANT RESOURCES**  
**PUBLIC LIMITED COMPANY**

**Opinion**

We have audited the financial statements of Itinerant Resources Public Limited Company (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 January 2023 which comprise the Consolidated Income Statement, Consolidated Other Comprehensive Income, Consolidated Balance Sheet, Company Balance Sheet, Consolidated Statement of Changes in Equity, Company Statement of Changes in Equity, Consolidated Cash Flow Statement and Notes to the Consolidated Cash Flow Statement, Notes to the Consolidated Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company affairs as at 31 January 2023 and of the group's loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's and the parent company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

**Emphasis of matter - valuation of assets**

In forming our opinion, we have considered the adequacy of the disclosures made in note 18 of the financial statements concerning the carrying value of the mining interests and investments in Zimbabwe. There is a risk that estimates of the mineral resources overstate their economic potential. These assets, which are carried in the group balance sheet at £975,659 may be overstated. Our opinion is not qualified in this respect.

**Other information**

The directors are responsible for the other information. The other information comprises the information in the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF  
ITINERANT RESOURCES  
PUBLIC LIMITED COMPANY**

**Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Directors has been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of directors**

As explained more fully in the Statement of Directors' Responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF  
ITINERANT RESOURCES  
PUBLIC LIMITED COMPANY**

**Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management, and from our commercial knowledge and experience of the sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including compliance with the Companies Act 2006, data protection, anti-bribery, employment, environmental and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the companies' financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- enquiring of management as to actual and potential litigation and claims; and
- reviewing correspondence with Companies House and other relevant regulators.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to; enquiry of the directors and other management, and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from deliberate concealment or collusion,

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Auditors.

**ITINERANT RESOURCES**  
**PUBLIC LIMITED COMPANY**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**for the year ended 31 January 2023**

1. **STATUTORY INFORMATION**

Itinerant Resources Plc is a public limited company, registered in England and Wales. The company's registered number and registered office address can be found on the General Information page.

2. **ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Basis of consolidation**

The Group consolidates the financial statements of the Company and its subsidiary undertaking made up to 31 January 2023. The subsidiary undertaking is accounted for using the acquisition method of accounting.

No income statement is presented for the Company as permitted by Section 408 of the Companies Act 2006. The loss for the group for the year was £39,161 (2022: £35,849).

**Critical accounting judgements and key sources of estimation uncertainty**

**(1) Exploration and evaluation**

The assessment of whether operating expenses and directors' emoluments are capitalised or expensed involves judgement. Management consider the nature of each cost incurred and whether it is deemed appropriate to capitalise it within exploration and evaluation assets. Given the activity of the directors and resultant operating costs are primarily focused on the company's mining prospects, the directors consider it appropriate to capitalise a portion of directors' emoluments and operating expenses.

**(2) Going concern**

The preparation of the financial statements requires an assessment on the validity of the going concern assumption. The validity of the going concern assumption is dependent on the successful further development and ultimate production of the mineral reserves and the availability of sufficient finance to bring the reserves to economic maturity and profitability. The realisation of the intangible assets depends on the successful discovery and development of economic reserves. The directors have reviewed the proposed programme for exploration and evaluation assets and on the basis of the capital funding achieved to date and the cash requirements of the company for the forthcoming year, consider it appropriate to prepare financial statements on the going concern basis.

**ITINERANT RESOURCES**  
**PUBLIC LIMITED COMPANY**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued**  
**for the year ended 31 January 2023**

2. **ACCOUNTING POLICIES - continued**

**Intangible assets - mining interest**

The Company accounts for mineral expenditure as follows:

**Capitalisation**

Certain costs (other than payments to acquire the legal rights to explore) incurred prior to acquiring the rights to explore are charged directly to the income statement. Exploration, appraisal and development expenditure incurred on exploring and testing exploration prospects are accumulated and capitalised as intangible exploration and evaluation (E&E) assets. Capitalised costs include geological and geophysical costs and other direct costs of exploration (drilling, trenching, sampling and technical feasibility and commercial viability activities.) In addition, capitalised costs includes an allocation from operating expenses including directors remuneration and consultancy fees, all such costs which are deemed by management to be directly related to exploration and evaluation activities.

E&E costs are not amortised prior to the conclusion of appraisal activities. At completion of appraisal activities if technical feasibility is demonstrated and commercial reserves are discovered, then the carrying amount of the relevant E&E asset will be reclassified as a development and production asset, once the carrying value of the asset has been assessed for impairment.

If following completion of appraisal activities in an area, it is not possible to determine technical feasibility and commercial viability, or the right to explore expires, then the costs of such unsuccessful exploration and evaluation are written off to the income statement in the period in which the event occurred.

**Impairment**

If facts and circumstances indicate that the carrying value of an E&E asset may exceed its recoverable amount, an impairment review is performed. The following are indicators of impairment.

- The right to explore in an area has expired, or will expire in the near future, without renewal.
- No further exploration or evaluation is planned or budgeted for.
- A decision has been made to discontinue exploration and evaluation in an area, because of the absence of commercial reserves.
- Sufficient data exists to indicate that the carrying amount will not be fully recovered from future development and production.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Consolidated Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

16. **RELATED PARTY DISCLOSURES**

During the year £2,500 (2022: £2,500) was charged by Derivan & Co. Chartered Accountants, for professional fees and out of pocket expenses incurred on behalf of the Company. Peter R. Walsh, a director and shareholder of the Company, is also a principal of Derivan & Co. At the year-end an amount of £77,564 (2022: £75,064) was included within creditors for the Group and Company.

During the year, £8,823 (2022: £16,708) was charged by Flagstone Consultants Ltd, for business advisory service fees. Maurice O'Brien, a director and shareholder of the Company, is also a director of Flagstone Consultants Ltd. At the year-end an amount of £182,095 (2022: £165,947) was included within creditors for the Group and Company.

A related party has made payments on behalf of the Group since 2010. In the financial year ended 31 January 2023 no payments were made (2022:£nil). The company accrues interest at a rate of 16.5% per annum on certain amounts owed to a related party. The current year interest of £30,027 (2022 £25,405) is included in administration expenses. This related party has a charge over the intellectual property, files, records and geographical studies relating to the intangible assets of the group as security over these payments. At the year-end an amount of £198,248 (2022:£177,909) was included within creditors for the Group and Company.

17. **POST BALANCE SHEET EVENTS**

A letter dated 8th June 2023 was received by Tinker Mining (Pvt) Limited at its registered office from the Ministry of Mines and Mining Development concerning a Notice of Cancellation of Mining Lease 29 under Section 400 (1) (a) of the Mines and Minerals Act ( Chapter21:5). The reason put forward for the cancellation is the non-declaration of any output production at the mining location. Tinker Mining has 30 days to show cause why its mining lease should not be cancelled.

In conjunction with our lawyers, Chinawa Law Chambers, Harare, the Group is strongly contesting this matter. Tinker Mining has a preliminary report and budget from our consultants on setting up a small scale mining operation at Montezuma. An influx of illegal miners and custom millers on to the property has stalled our plans to seek funding or to progress discussions with interested joint venture partners. Potential custom millers will not enter into a tribute agreement that would allow ore processed at Montezuma to be declared at Mining Lease 29, thereby meeting the Use It or Lose It requirements.

The Group will vigorously defend the reasons why, at this time, gold production cannot start within our mining lease. Chinawa Law Chambers has replied to the Ministry of Mines and Mining Development following instructions from your board.

Presently, it is not possible to estimate the impact of this matter on the financial statements.

**ITINERANT RESOURCES**  
**PUBLIC LIMITED COMPANY**

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued**  
**for the year ended 31 January 2023**

18. **MATERIAL UNCERTAINTIES**

Material uncertainties exist regarding the following:

1. The carrying value of mining interests and investments in Zimbabwe. There is a risk that estimates of mineral resources overstate their economic potential. The Group is especially vulnerable as it has no production or proven reserves. These assets, which are carried in the Group balance sheet at £975,659 may be overstated; and;

2. whether the Group, and the Company, will remain a going concern. The Company and the Group are dependent upon their providers of funds to enable them to continue to trade. The uncertainty referred to above could lead to those providers being unwilling to continue their support. We note that during the 2022/2023 financial year there was an issue of shares of £92,641 which has increased the share capital.

The Directors believe that the uncertainty will reduce in the future and thus the Group will be able to continue to trade. The financial statements do not include any adjustments that would result from the Group not continuing as a going concern.
